Hi Sherece,

My best guess is that they hadn't had the opportunity to process our check before they sent the next statement out. I've attached a copy of our records for a check request that would have been sent out on the 25th of May. Let me know if you need additional documentation, I.e. Proof of the check clearing our bank. I've attached our accountant to this email so she can respond with that documentation if you need it.

Thanks! Megan

Hi Megan,

Thank you for the follow-up note today regarding for assistance with the June car payment, and it is attached. I do have some concerns. I have noted that enrolled in your program on May 15 and Emily approved for the May car payment on May 23. During the month of May, she only had a nominal late fee outstanding. The current statement shows a June payment due plus an unpaid balance of \$281.62, and a late charge of \$9.54.

Please see Sherrece's email below. Before the State is able to approve these payments, she will need the following information. As required, if attempted 2-1-1 we will need to have that documented (an email response will suffice) indicating that they informed the clients that there was no assistance available for car payments. Please provide Sherrece with the information regarding where Jasmine receives Worker's Comp.
Sherrece, we had already discussed the address issue with the day or two prior to her exit; the bill is still sent to the client's mother's home where she lived when she acquired the loan. The nurse, Jenn, has seen her consistently in where she now resides.
